Dear Minister,

**Re: Submission of Objection** *(if you are objecting)* **by** *(Your name)* **to the Proposed Oven Mountain Pumped Hydro Storage Proposal: Application Number** SSI-12422997, **EPBC ID Number** 2020/8850, **Assessment Type;** Critical State Significant Infrastructure. **Exhibited as:** (EXH-62250958)

**Introduction:** State your background and stake in the proposal.

For example, only: *You or your Community group, are concerned with the above proposal to ensure high water quality for the Macleay Catchment and endeavouring to protect downstream communities from any past, present and potential impacts.*

We thank you and appreciate your making available and exhibiting the DA, EIS and accompanying documents, as well as the opportunity to provide a Submission *(of objection?)* to the proposed Oven Mountain Pumped Hydro Storage Development Application.

From review of the Development Application submission, EIS *(and whatever else you rely on?)* my/our Concerns are: *Relay your broad and/or detailed issues...*

**Ending on the lines of....**

Thank you for the opportunity to provide this Submission *(of objection?)* and we look forward to working with all involved to achieve a good result for the community, economy, environment and water with which we live.

Yours sincerely

**Signature,**  
**Your Name/Organisation and Role**
